Row 7—Tulip (4")

Refer to the chart on introduction page to determine the number of 4" blocks you need for the size you have chosen to make.

Print off enough pattern sheets for your quilt (there are two blocks on each page).

Foundation piece. Assemble with flowers alternating orientation as shown below.

Note: Foundation pattern shows flower as dark and background as light. In the graphic above, the flowers are light and the background dark. The choice is yours.
